

# spaceage education & training

We've got you covered from the smallest jobs to the biggest projects.

#### Total Solutions

From a projector and screen installation to a fully automated facility solution, SpaceAge Communications can help with the design, equipment and integration.

- Custom environments
- Better learning climate
- Remote learning

#### Classrooms of the Future

With a single touch on a control panel you can dim the lights, draw the blinds and lower the screen, creating an atmosphere that stimulates the learning process.

#### Total Cooperation

We can work with the people you know, or use our highly qualified designers, architects and experts from the building and electrical trades to create your ideal facility.

- Remote Interaction
- Ease of operation
- Service and care plans
